

Records broken at Lincolnshire Athletics Championships

The Lincolnshire Athletics Track & Field Championships proved a success this weekend (May 13 & 14) with athletes raising standards and breaking 14 Championships records. Despite the miserable conditions, International hurdler, Julian Adeniran, set a new record in the U20 men's 100m Hurdles. In her first year as a junior woman, Grantham's Vikki Hubbard raised the bar to 1.78m promising much ahead for the young international.

Boston's athletes were in form, with Jake Mason breaking the high jump record with 1.80m and Tim Creese measuring a Javelin championship best of 40.02m. U13 girl, Ellis Whyler jumped a championship best performance of 1.40m in a fight to the end while senior team mate Julia White sprinted into the wind to clock double championship best performances in the 100m and 200m clocking 12.2 seconds and 25.5 seconds respectively. Fellow sprinter Sam Lawrence, from Nene Valley Harriers, also recorded a double best after winning the U15 boys 100m in 11.3 and long jump in 5.81 metres.

Grantham athletes were also on top form with U13 Sophie Carley jumping to a best of 4.37m. Ranking in the top ten in the UK, U20 Rebecca Hall threw a shot putt record of 10.90m but her weekend ended abruptly after gaining an injury to her knee. Veteran Judith Jagger led the way with wins in the 100m, 200m, triple jump and discus and culminating in a record of 29.71m in the javelin.

Not to be outdone by the shorter events, 800m runner Steve Gregory from Lincoln Wellington ran a record time of 1:56.2 while 3000m runner Alex Sharp from Louth AC ran an impressive 10:44.9 to break the former record. Club-mate Patrick Jowett high jumped to a championship best performance of 1.46m adding to the success of the Counties athletes.
