The Cross Country League fee will be **£1.50p** per competitor per match. Clubs are responsible for collecting **£1.50p** per competing athlete, payable to the Secretary before the next match. Guests and second claim members **£3**.

Age Groups :

The operative date for determining membership of age group is the 31st August prior to the commencement of the competition year (1st October 2006).

U13's shall be confined to competitors who are aged 11 on the day of competition, or 12 on 31st August.

U11's for the season shall therefore be confined to competitors who are under 11 on the 31st August and must have achieved their 9th birthday on the 31st August in that year. Medals will be awarded at the end of the series to U11's who complete three races.

I appeal to clubs that officials are needed at the finish. Could they let me have details of any willing helpers?

Please complete and return the Club Contact.

Best wishes for a successful 2007/2008 Cross Country Season. If you have any queries just get in touch.
