

## LINCOLNSHIRE ATHLETIC ASSOCIATION

### MALE TEAM MANAGER

**Lincolnshire Athletic Association are looking for a new Male Team Manager.**

At present there are 2 cross country and 3 track and field events each year to select teams over varying age groups.

The job at the moment is done by one person, but would be easily split for more than one if there is enough interest.

The duties include;

- Team selection
- Keeping clubs informed of selections
- Keeping athletes informed of any selection
- Monitoring results throughout the year
- Filling in entry forms
- Collecting money from athletes
- Ensuring the smooth running on the day of the events
- Arranging transport for travel to and from events
- Looking after the county vests

The present team manager is in the post temporarily at the moment and all events are covered until late March.

He is happy to assist anyone who volunteers to do the job to ensure a clean change over.
