

# LINCOLNSHIRE ATHLETICS ASSOCIATION

## URGENT APPEAL

To all club secretaries:

Please print this letter and circulate to as many members as possible.

Lincolnshire Athletic Association currently does not have any team managers to select, and manage, teams of athletes to represent the county at Inter-County Track and Field Competitions. There are two forthcoming events - an U15 and U17 competition at Leigh in Lancashire on Saturday 30<sup>th</sup> July 2011, and an Under 13 and U15 competition to be held at Nottingham on 10<sup>th</sup> September 2011.

The County urgently needs volunteers to run a male and a female team -

***If we have no team managers, we won't entering / sending any athletes.***

This appeal is to anyone who would be willing to take on this role to let me know **by Friday 1<sup>st</sup> July 2011** in order to allow the athletes in the county to be able to compete in these events.

You can email me at [juneboneham@sky.com](mailto:juneboneham@sky.com)

You can phone me on 01476 360229

Please think carefully about this appeal and offer your services if at all possible.

Thank you

June Boneham  
Secretary Lincolnshire Athletic Association
